

Friends of Boroughbridge Primary School

2022/23 UPDATE

A note from FOBS

We really cannot express enough how thankful we are for the support we have received so far this academic year from everyone.

All of our events are organised by our amazing volunteers who give their ideas and time throughout the year.

But, we cannot do this alone...

With the support of school staff, parents and of course the children themselves we can raise even more money to enhance your children's educational experience.

FOBS x

Why do we have a PTA?

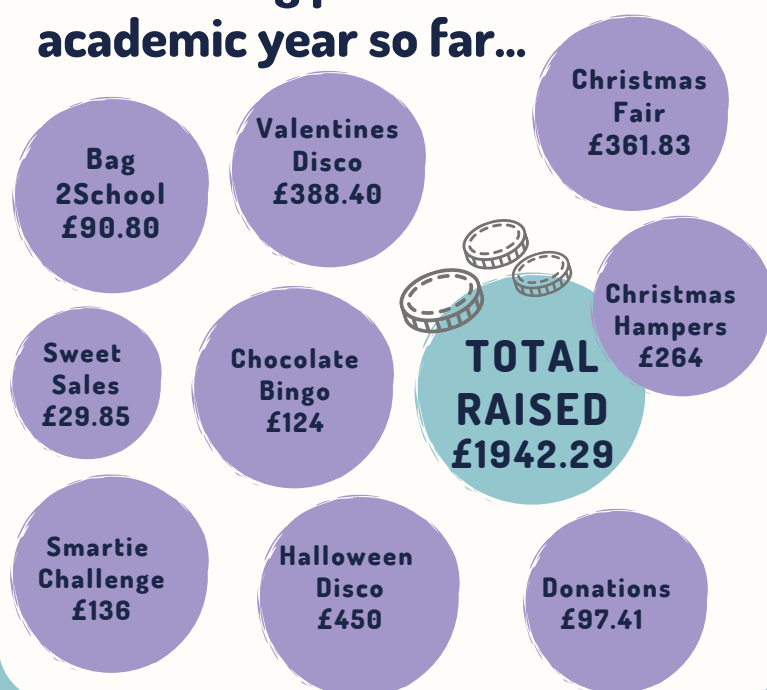

PTA's are an active part of school life for many schools across the country.

Research shows that parental involvement has a significant impact on a child's achievement and attainment at school

The PTA's aim is to raise money in a fun and sociable way, to provide the school with extra funding.

All funds raised directly benefit all children in school, such as providing additional resources, subsidising educational trips and enhancing school life.

Fundraising profit for this academic year so far...
